

CONSIDERATIONS WHEN USING ARTIFICIAL INTELLIGENCE

INDIGENOUS KNOWLEDGE

AI does not follow protocols for sharing Indigenous or sylvan knowledges. Please use Indigenous content from appropriate and authentic sources.

SCHOOL GUIDANCE

Follow your school code of conduct by using AI honestly, respectfully, and responsibly.

TEACHER GUIDANCE

Follow your teacher's instructions on when and how to use AI. When using AI, reference your use to maintain academic integrity.

PERSONAL GROWTH

Use AI to support your learning and understanding rather than replacing your thinking.

CRITICAL THINKING

When creating and viewing AI content, double-check information and be mindful of inaccuracies and content bias.

PRIVACY

Including personally identifiable information in AI prompts can put your privacy at risk.

APPROVED AI TOOLS

Use only tools approved by the district as they are selected for their commitment to privacy and educational focus.
